Dear Families,

June 2022

First of all, I would like to extend a **HUGE** thank you for working alongside us this year. We consider ourselves very fortunate to have our students' families as our partners in education. As we end this school year and look forward to next September, we are excited for the upcoming opportunities to learn, grow and collaborate.

We have been busily creating class lists for next year while considering many factors. We take into consideration things such as student relationships, academic achievement and individual needs just to name a few. We do our very best to ensure that each and every one of our students is set up for the best possible year of learning! You will find next year's class and teacher in your child's report card on June 29, 2022.

In an effort to be cost and time efficient, as always, most student supplies will be provided to our students for the cost of \$35/student. Invoices will be sent home in September. A list of any additional supplies needed will be included with report cards.
